

The Challenge Course is an outdoor learning facility that encourages individuals and groups to see their potential through a graduated progression of challenging activities that foster personal growth and improved teamwork.

Low Course programs are located on or near the ground and focus primarily on team building, problem solving, and fun.

High Course programs take place at heights up to 35 feet and offer challenges that include swinging bridges, cable walks, rope swings, a zip line and more.

Anyone of average health and 10 years or older may participate. The experience is tailored to the team and for those with special needs. Programs are great for youth and adults, schools, scouts, sports teams, birthday parties, family fun, corporate teambuilding and more. A minimum of eight (8) is required to make a reservation. Secure your date at least three (3) weeks in advance with a \$50 deposit. For more call (919) 462-3970.
